

Feedback from Agile Nation Member's Event, 4th May 2010

"Incredibly helpful! Will be useful going forward"

"Enjoyable"

"Great event. 'Embrace differences' stood out for me – making use of being a woman in a male dominated workplace. Need some time for networking with others attending!"

"Useful"

"Very much enjoyed the event and will hopefully like networking in the future"

"It made me realise I'm better at networking than I thought I was"

"Excellent event. Bernie was fantastic. I will follow up!" Michelle Williams

"Liked Bernie's approach and found it easy to follow. Will definitely use what I have learnt today"

"Informative"

"Very good. Will definitely attend future events"

"Very enjoyable and entertaining. Lots of useful information"

"Very useful and well presented"

"To Katie – thank you for the seminar, it was very beneficial to me" Julie, Dragon Fleet Services

"Good engaging presenter and good to have actors illustrate"

"Bernie is an excellent trainer – style of delivery was great"

"Thank you. Very useful perspective on networking – something I ~~am~~ was useless at! Hopefully will have somewhere to start from at my next opportunity"

"Useful and refreshing"

"Very valuable. I feel more confident about networking and have to use the skills as soon as I can"
